## **The History**

Anthony Clifford Studios was founded in 1994 by husband and wife team and ex-professional dancers, Mark Anthony and Diana Clifford.

From its small beginning with just a dozen students in classes dotted around the Romford area, the school quickly grew and combined with two other schools along the way (Cooks Dance School in 1996 and Elizabeth Reed's in 1998) The Studios now offer tuition in no fewer than eight dance genre plus drama and singing. Their own multi- studio complex was purchased in 2005, with refurbishments completed for four studios, waiting areas, changing rooms, reception car park and shop. In 2014 we gained charitable status and became ACS Dance Centre, a centre for excellence encouraging everyone both young and old to know the joy of learning to dance!

ACS have a strong tradition in professional training and have trained many students who have gone on to successful performing and teaching careers around the world and in the West-End.

## **The Curriculum**

Imperial Ballet, Jazz, Modern Theatre, Tap, Latin-American, Ballroom, Disco-Freestyle/street, Salsa, Argentine Tango, Musical Theatre Drama, Singing, Boys Classes & pointe work.

## **Children's Classes**

Well firstly we are an established friendly family run studios with a great reputation and track record for excellent dance training and great results. Our students thrive in the happy atmosphere and become confident, well rounded young people who take their skills learnt whilst dancing, on into their adult lives, whether that be in dance or any other field. They can make many new friends and many students stay with us right up until leaving school and even beyond into adulthood bringing their own children! You can be assured that your child will be taught by experienced and qualified full-time teachers (several of whom are ISTD examiners too!) Our staff care deeply about their charges and their vocation. All teachers are DBS checked. We have been awarded Vocational Dance school of the year for SIX times 2013, 2014, 2015 2016, 2018, and over all large school 2019

## **How old do you have to be to start?**

Children can start with us from the age of **3** in special "Baby" combo classes in Ballet, Tap, modern, or Freestyle/latin/ballroom (NB These classes sometimes have a waiting list, especially if we are restricted now in class sizes!) Baby classes are fun as well as providing help with children's confidence, co-ordination, communication, fitness, concentration and poise, whilst learning the basics of the dance genre. When children are 5 or when their teacher thinks they are ready, they progress into the pre-primary combos for 5-6 years. From then on (around age 6.5 or 7) they will

move through the ISTD grades/medal class system, up to and including student /professional level if applicable. Primary Ballet tap and modern is combined in a Primary bubble of 2 hours, after this classes separate. Singing and Drama are a combined class of one hour on Saturdays age 7 plus when their reading is well established. Children need to be already dancing with us for at least one class to do this class. For modern or jazz children also need to be learning ballet with us for disco this is not necessary. After grade 2 ballet, then two ballet lessons per week are compulsory as a combined price, those who cannot make 2 classes can continue lessons but will not be able to continue with ballet exams. For graded ISTD Ballet, Tap and modern exams there are additional exam rehearsals for six weeks before each exam (in addition to normal classes), if this will be a problem for you in the future and you know now you do not want your child to take exams, please let their teacher know as this is not a problem. Disco and ballroom and latin exams do not usually require exam rehearsals until higher levels. Graded Tap, ballet and modern exams are government recognised/regulated qualifications up to level 6 and have point values/UCAS points which can be quoted on university application forms. Adults and trainee teachers have separate classes, please see our Adult or Teacher training info packs.

### **What if we've been to another school already or are older than 10?**

Those children who have previously been at another school are welcome to join us at ACS, though they may be asked to "try out" to find the most appropriate class level. We usually try a level suitable for their age group first and assess how they get on during the class. If beginners start at around age 7-9 then students can go straight into primary/Grade 1, if older then please phone the office for advice. If older than 17 then please see our adult classes. There is a teens combo class for those over 12 who have not danced before.

### **Can I join straight away?**

Usually yes, straight away, but sometimes there may be a waiting list for the beginning of each term. Priority is given to those with siblings at the school already and those living closest within the borough as well as those wanting combinations instead of just one genre. Reasons for this are that those travelling to us from out of the local area find it very difficult to attend our classes long term straight after school once at senior school and so often cannot stay with us, changing dance school is always disruptive to a child, this is why priority is given to those students who may stay with us long term, our dance families often continue into adulthood and some are even bringing their own children now! Covid restrictions prevented free trials because of bubbling, we hope to reintroduce this but this may be withdrawn again as the situation evolves over the winter.

### **Are there classes during the holidays?**

No, we are closed for main school holidays such as Christmas, Easter, Half terms, Bank holidays and the Summer break. Occasionally at show times there may be a dress rehearsal in lieu of a Bank-Holiday weekend or throughout the preceding Easter before a main show as we will break straight after a show, thus preserving 37 weeks per year. Your invoices work out when there are

holidays automatically. Our adult ballroom classes are paid as you go and private lessons still carry on during holidays by arrangement with your chosen private lesson teacher. Our terms start on Mondays and finishes on Saturdays.

### **Will my child take exams?**

Yes, we are an examination school and in tap, ballet and modern, most children here pursue ISTD graded exams. In Disco and Ballroom and Latin children can start medals even earlier when they are about 4 or 5. We follow the ISTD graded exams which are now government recognised on the National Qualifications Framework (NQF) which means the exams taken whilst at ACS can be listed on job and University application forms and school league tables too, which often helps go towards getting into their chosen senior school! The initial decision whether a child is thought ready for their exam is always made by the teacher entering them and is not dependent on time in that particular class or whether their friend is taking their exam! Children all progress at their own rates and it should not be thought of as a competition. Parents are asked their permission to enter students for exams as it is a big commitment for them as well as their child, and exam fees are then sent by us to the ISTD seven weeks in advance of the exam. For Theatre subjects children will then be expected to attend six weeks of extra exam rehearsals on a Sunday (ballet/mod/tap only) in addition to their classes leading up to their exam, these lessons are compulsory and we reserve the right to withdraw the child from the exam if they have not attended enough rehearsals even if this means the parent losing their exam fee. Parents should note that over the years, after taking exams, days and timings of classes will change, after all some pupils remain with us until they are 18! If you do not wish your child to take exams or be part of shows, you should let their teacher know well in advance.

ISTD exams are accredited on the National Qualifications Framework (NQF) for England, Wales and Northern Ireland as shown below:

### **Does the school hold shows and attend competitions?**

Yes we have Christmas displays in house for parents to watch their little ones every year as well as bi-annual large production shows at local theatres such as the Towngate Theatre Basildon, for the older ones. We do expect all children to want to take part in our shows and for parents to give permission for them to do so and support them through rehearsals. Drama students also have a separate annual review show in addition to the main shows. Near to a show students are expected to come to extra rehearsals and dress rehearsals at weekends and some holiday periods over Easter. Costumes for shows are purchased by the school and hired to students for a small fee. Competitions are not compulsory but many of the disco, ballroom and latin students choose to take part in competitions as well which are always held on Sundays, both at “friendly” local level and bigger ISTD National medallist level. Latin and ballroom competitive dancers are required to take weekly private lessons in addition to their regular classes if going to ISTD comps, the finals of which are in Blackpool. National ISTD Tap, Ballet and Modern competitions are sometimes

entered by the school with selected outstanding children meeting the strict exam result and age criteria to be eligible, free scholars classes are usually offered in order to prepare. We also have children who auditioned and were accepted onto the Royal Ballet school's "Junior Associate" JA or MA program who attend top up ballet classes at the Royal Ballet school, Covent Garden on Saturdays in addition to their lessons here with us. Over Covid competitions were not being held, except online we are waiting to hear government guidance on these and shows for the new term 2021/2022 but have booked our main show for My 2022 with fingers crossed.

### **Are there mixed classes?**

We have both mixed classes for girls and boys, as well as some girls only or boys only classes. Girls have additional Pointe work lessons, boys can do separate Boys only Modern dance classes on Thursdays with at juvenile and junior level and as ballet, tap, Jazz, Street, Drama/singing and Ballroom and latin are mixed classes. We encourage and strengthen our boys for the rigours of pas de deux partnering lifts with additional body conditioning coaching in our mini gym if requested.

### **Do I need uniform straight away?**

At this time because of joining for the whole half term and no in person shopping, we advise new students to purchase our uniform in advance from our online shop. We sell all items of our uniform, so just ask us if unsure what to order. The uniform has our School Logo and is only from our shop. [www.shop.acsdance.uk](http://www.shop.acsdance.uk)

### **Will all classes be in a proper dance studio?**

Yes, (with zoom options as needed) our full time premises at 66 Albert Road, have three larger dance studios complete with sprung hardwood beech or maple floors, barres and mirrors, and a smaller studio for drama, baby classes and private lessons, so you can be assured that floors are safe for growing bodies to dance on (all sprung and no concrete!). The studios are each named after famous dancers. We also have waiting areas and changing rooms, and dancewear and refreshments are available from our reception and shop. Please note we have limited parking to our frontage and our rear private car park up which closes at early evening. ( please park nose to fence without engines running if waiting) We ask you to park considerately with thought to other drivers and not over our neighbours drives if waiting in the street, there is additional on street parking in Albert Road after 6.30pm or in nearby Park Lane or in Romford town centre car parks during the day time. We are also very close to several bus routes at either end of Albert Road (Victoria and Brentwood Roads) and Romford Mainline station is also within easy 4 minute walk. (see info further on in brochure)

### **What if my child wants to pursue dance as a career?**

Most children start dancing for fun, fitness and friendship however if you find your child has a special talent leading them towards a possible performing career, then ACS is the best place to be.

We have trained many of our students for professional careers as adults (see alumni) and they now can be found as adults in West End theatres and dancing around the world. It is usually necessary for students to have reached at least Intermediate/Grade 6 in Ballet, Tap and Modern by the age of 16 or 18 depending when they are due to leave school, most vocational full-time dance colleges will be expecting training and ISTD exams at this level as well as some singing and drama experience. We advise our students on the best colleges to apply for at 16/18 for their chosen dance style and help them with audition dances, monologues, songs and general preparation. If going down the teacher training route we accept applications at our own part-time teaching college for day students of 16 years and over or this can be studied in the evening alongside A vets or BTechs. Please note we do not encourage our children to belong to an agency as we feel this is the time they should be perfecting their art and having fun being children without this added pressure, however we have no problem if this is something you choose to do, but please ask our advice as to reputable agents first and understand that school fees here are still payable if you miss classes for auditions/castings or for work.

### **How do I pay?**

Payment is online for a half term at a time and are paid in advance of the start of classes we hope you will pay online by BACS over this Covid period but if this is impossible please call the office for alternatives. Fees are non refundable, 4 full week's notice is therefore required in writing, if leaving the school or dropping a class from your timetable. If you suddenly need to isolate, there will be an option to zoom live to your class or receive a recording. You will also still need to pay for a class if you miss it due to illness or any other reason such as a holiday, quarantine, lockdown or inclement weather, etc, unfortunately you will not be able to attend another day of the same subject whilst distancing class number restrictions are in place. We have a significant discount scheme up to 10% for those doing many classes within the same family. For late payments the fees revert to the undiscounted amount or £15 penalty added whichever is greater. (please see fee sheet and terms and conditions for prices/payment terms)

Private lessons are available in Ballroom, latin, and other dance genres, from £35 and up, per 45 minutes, depending on your chosen teacher's rate.

### **How do I apply?**

Just fill in the form on the back of this brochure and send back to us. If you have phoned first and know there is current space in the class you want, then come along with your form on the day, if not then please post back, marking as "Waiting List". Your application is treated in order of receipt, so don't wait too long or spaces might be gone. We do need the consent form signed by a parent or guardian if under 18 before attendance to show you have read and accept the school's terms and conditions before classes commence. **Please note if a child has shared custody with separated parents then we require both parties to sign that they accept our terms and conditions and will make the child available for classes/rehearsals/shows etc whether it is a**

**weekend or midweek.** If this is agreed at the start of a child's time with us, future problems can be avoided especially at exam and show rehearsal times.

### **What level of commitment is expected?**

We do expect parents and guardians, as well as students themselves to be fully committed to their classes and put their dancing first. This teaches the children a valuable life lesson for the future, that good results are only achievable through hard work, and that missing classes lets their teachers, friends and other children in the school down, not just themselves. We therefore reserve the right to ask a student or family to leave the school if they continually miss lessons or exam/show rehearsals or are behind with their fees. In cases of extreme sudden financial difficulty, the CIO trustees will accept nominations from the principals for the waiving of all or some fees on a temporary basis. The principals take into consideration the dedication and level of commitment shown to the school and their dancing by the pupil and their family up to that point, as well as their level of potential and future plans. For application procedures please contact the Principals direct.

Prisca Hodder

Wonderful dance school, caring and competent compassionate teachers.  
Undiscovered diamond !

---

Rebecca Kaye

Fantastic dance studios, I trained here for many years myself, and now I travel from Aveley 3 times a week for my own children to go, they absolutely love it. They offer many genres of dance for all ages, they do a Christmas show every year for younger children and a main show every two years at a theatre for the older dancers, exams are also available as well as competitions and further studies for teacher training.

My daughter already says she never wants to leave 😊. Definitely recommend!

Linda Thacker

An incredibly professional Dance School with fantastic, dedicated teachers and staff. Where everyone who walks through their doors is treated with the upmost respect.

Anyone can learn to dance but here you are taught to love what you do! This school not only teaches dance but builds confidence, self esteem fitness and creates a great circle of friends. Potential is found, nurtured and allowed to shine. As they say " You walk in but you DANCE out "

Chloe Moulden

"I grew up at ACS from 3 years old until I had to leave for university. My teachers and friends were such a huge part of my life who hold a very special place in my heart. My favourite thing about ACS is the way we are all one big family. Throughout the year you become so close with the dancers in your class, and then when shows come around everyone, all ages, come together as one. ACS is the reason I am the person I am today.

---

Glenn Lee Stavers

It's impossible to really do justice to how much a part of my life ACS has been. More than a building where dance is taught, it is a second family and has shaped both the person I am today and provided me with a career I am still passionately pursuing and that I wake up beaming about every day! From dancing on Top Of The Pops, performing in music videos, choreographing a dance duet for Queen Elizabeth II and now directing my own teaching agency, it's been a pretty interesting journey so far and it all started at ACS.

Forever Thankful x

Nicola Holder

ACS is a fantastic dance school, my eldest has been here for 10 years and my youngest for 3 years. All the teachers are great and the teaching is to a very high standard.
